Hawke's Bay District Health Board

Electing 7 members

Rizwaana (Riz) LATIFF

My principal place of residence is in the Hawke's Bay District Health Board area. I am also standing for Hastings District Council.

It would be an honour and privilege to serve on our District Health Board. I am originally from South Africa.

I have been affiliated to Hawke's Bay District Health Board since 2004. Starting as an employee and branching into various other roles, which have included governance, project management and having an access agreement in the role of an LMC midwife. As someone who has worked on the front line, I understand the implications of how decisions that are made in the board room impact at an Operational level, patient care and wider community. My extensive experience in the Health industry, over 30 years, has given me the insight into the dynamics involved in this complex area. I am committed to a vision of a Community led and Community focused Health Strategy. I am confident that I have the skills to enhance and contribute to the Board.

Conflict of Interest Statement

I have the following current conflicts of interest with the Hawke's Bay District Health Board (DHB):-
Access agreement with DHB as a LMC midwife
Casual Contract as a nurse in Theatre
Casual Practicum Lecturer at EIT with students on clinical placement at the DHB.
To the best of my knowledge and belief, I have no other conflicts of interest with the DHB at the date of my notice of consent to being nominated as a candidate for membership of the board of the DHB. I do not believe that any conflicts of interest are likely to arise in future, other than the continuation of the conflicts of interest stated above.
